Mary Elizabeth Coleman	Republican	72,938	11.335%
Mike Carter	Republican	91,866	14.277%
Party Total:		643,448	

How appalling that our method of voting allowed the winner here to get the nomination with only 24.418% of the votes cast.

These numbers are a clear demonstration of why Missouri needs to adopt RCV and guarantee that Party nominees are the consensus choice of the majority of a Political Party's members.
